Forecast for Sunday 20 Sep 2020

Weather: A dry start to the day, some mist and fog patches around and a chilly start to Sunday. Good sunny spells for most ranges during the morning but sunshine becoming hazier in the afternoon with more cloud moving in, staying dry.

Chance of cloud free mountain/hill tops above 800m: 90%, clear tops for most areas but a few hills may see some patches of cloud around the tops first thing.

Visibility: Very good visibility for most ranges with far reaching views, poor in any fog patches.
